# Have you booked any in-school training from us this year?

A well as their extensive central training, EMAS Advisers offer:

- Whole-school twilights and PDMs
- INSET days
- Training for NQTs, TAs, pastoral support staff, office staff and lunchtime supervisors
- Individual departmental input

Sessions can last from as little as half an hour to as much as the entire day and are created to fit your exact requirements.

Our advice and strategies apply to developing literacy for all pupils, EAL or not.

Best of all, these sessions are **all free** under the terms of your Adviser/General Support Package.

**What are you waiting for?**

**If you only have the membership option, please contact us to discuss prices for your input.**

## Training sessions delivered over recent months include:

Writing

Reading

Spelling, punctuation and grammar

Developing vocabulary

Oracy

Phonics

## Comments from delegates:

Very knowledgeable speakers who engaged all participants with a range of different teaching resources and techniques.

Lovely, positive, engaging delivery of useful material.

Your passion for EAL really shows and is inspiring.

Very informative, smartly delivered, lots of helpful information.

**Did you know that we also offer individual support to teachers, including coaching, mentoring and curriculum planning?**

**Contact us to discuss your requirements and book us in  
(all free of charge with an SLA package)**
